Fingertip Pulse Oximeter Model: FS20D

Feature:

1. High brightness OLED screen display SpO2, PR, and Pulse bar and wave;
2. Multiple directions display;
3. Low power consumption; battery-low indicator;
4. Optional colors: white, black
5. Suitable for adult;

Specification

SpO2

Range: 70~100%

Accuracy: ±2%

0~69% unspecified

Resolution:1%

Pulse Rate

Range:25-250 bpm

Accuracy:±3 bpm

Resolution:1bpm

Environment requirement

Temperature

Operation:5℃~ +40℃

Storage: -40℃~ +60℃

Humidity

Operation::10% ~ 95%

Storage:10% ~ 95%

Power Requirements

Work voltage: DC2.5V~ 3V(2 AAA Battery)

Dimension	**Net Weight**
58 (H) x 36 (W) x 33 (D) mm	60g（include batteries）

Accessories:

A hanging rope;

A user manual;

2 AAA battery;

Packing:

100 PCS/CARTON

Gross Weight: 9 KG

CARTON Size: 44*25*31 CM
